

Heavy Duty Complete Basketball Backstop Set

MSRP \$1,230.00

SALE \$1,034.00

Highlights:

- Excellent basketball hoop system
- Includes the longer lasting chain net
- Choose between four different backstops
- Built for quality and durability

This is a great basketball hoop system that offers extra strength and a longer extension than our standard sets allowing more playing room under the hoop. This is built for heavy use in public areas. All the necessary pieces are included to get your basketball hoop up and ready for play. Popular backstop featuring one-piece 4-1/2 inch OD galvanized steel post with a 4 foot extension at its top. For even more room between the post and the court, add an extension below. Complete with post, backboard, Super Goal (double strength goal), and Nylon or Chain Net.
