**SALE \$618.00**

### Highlights:

- First in the business Marine Grade steel hardware
- UV stabilization means chair color won't fade in the sun
- Chair quality requires no maintenance or upkeep
- Slats made of durable resinwood

The Adirondack Pensacola Chaise Lounge Chair by Frog Furnishings is designed with those perfect, lazy summer days in mind. The chair offers you a place to put your feet up, take a nap, enjoy a cold drink, or read that book you've been dying to read. Even if it isn't summer, though, that's no reason not to have one of those lazy days right now. Made with recycled plastic and Marine Grade Stainless Steel hardware, this chair isn't limited to summer afternoons. It will stand up to weather in every season. It's also UV stabilized to protect against color fading. This relaxing chair is composed of comfortable Resinwood slats, and it looks great whether you've set it in the backyard, out by the pool, or out on your balcony. Wherever you set it down, there's no limit to the comfort you'll find sitting in the Adirondack Pensacola Chaise Lounge Chair.
