

Square Recycling Center

MSRP \$1,167.00

SALE \$1,027.00

Highlights:

- Comes in different three colors
- Perfect for schools or dining areas
- Each receptacle is 32 gallons each
- Made from durable Resinwood slats

The Square Recycling Center by Frog Furnishings makes recycling easy. You have the choice between two or three 32-gallon square receptacles, based on your needs for the space. The two square receptacle configuration holds 64 gallons combined. The three square receptacle configuration holds 96 gallons combined. In order to separate your recycled materials easily you have the choice of engraving the top of each container with - glass, cans, aluminum, plastic, bottles, paper, or trash. The containers are composed from 1-inch x 4-inch Resinwood slats and a recycled plastic structure, making it perfect for those who are environmentally conscious. They are available in cedar, gray, or green. The Square Recycling Center comes with heavy duty, zinc coated hardware.
