

ADA Accessible Regal Square Portable Table

MSRP \$1,655.00

SALE \$1,407.00

Highlights:

- Thick 1-5/8-inch legs ensure strong support
- Rounded edges produce a safer environment
- Open spot with table overhang for wheelchair users
- Easy to move for changing needs

The ADA Accessible Regal Square Portable Table features a 57-inch long tabletop that has a dedicated spot for wheelchair users. The overhanging ledge with low profile table legs beneath allows plenty of room for ADA access. The table features slightly rounded corners to help protect against accidental injury. The tabletop has a standard size umbrella port for users looking to add some shade to their dining or recreation area. This commercial-grade furniture is available in your choice of Webcoat's wide variety of colors, both for the durable textured polyethylene coating of the tabletop and seats as well as the resilient powder coated frame. Just call or email a AAA State of Play salesperson to discuss personalizing this unit to match the style that you have in mind. While sold as a portable unit, the ADA Accessible Regal Square Portable Table also features pre-drilled holes for surface mounting (surface mounting hardware not included).
