Transform your outdoor entertainment space into a modern grotto for socializing and dining with our ADA Accessible Classic Square Portable Table. Stylish and easy to move, this seating option is crafted to accommodate patrons of all ability levels - including those in wheelchairs - by leaving one of the sides open without a bench attached to it. Both the tabletop and seats are constructed from expanded metal to create a lightweight design and are coated in textured polyethylene. The tabletop features an umbrella hole to easily add a shade item to the table. The 1-5/8-inch frame is a powder-coated for added durability. The ribbed, form-fitting design provides unparalleled comfort and creates an avant-garde look. Available in an impressive array of colors to fit neutral palettes or vibrant décor, the ADA Accessible Classic Square Portable Table provides extraordinary protection against rust and damage, keeping your investment in pristine condition through years of everyday use and heavy wear and tear.
