

Innovated Octagon Portable Table

MSRP \$1,604.00

SALE \$1,364.00

Highlights:

- Colors are customizable for both coatings
- Strong legs and durable construction that easily handles regular usage
- Perforations in surfacing enhance airflow through the unit
- Powder coated frame and textured polyethylene seat and table surface

When it comes to choosing a picnic table for your outdoor recreation or dining areas, you want something that will look great and stand the test of time. The seat and tabletops of the Innovated Octagon Portable Table by Webcoat feature a stylish perforated metal surface that helps cool the commercial-grade furniture in the summertime and accelerate drying after a rainy day. This 46-inch diameter table is available with three or four attached seats and its framework is constructed of durable 1-5/8-inch steel legs. The furniture comes in your choice of colors, both for the powder coated framework and the textured polyethylene seats and tabletop. Speak with a AAA State of Play salesperson to discuss getting the look you are trying to achieve. Both coatings are known for their increased durability and resistance to damage and will provide your investment with years of use with very little maintenance required.
