Webcoat's Regal Solid Top Round Portable Table features a solid round top that makes it perfect for a variety of activities: crafting, picnicking, playing board games or cards, or just impromptu conversation. The tabletop has a port for installation of an umbrella, should you wish to add shade to the recreation area. The resilient 1- $\frac{5}{8}$ -inch metal frame is tough enough to handle regular use by individuals of all shapes and sizes. Available in a 3 or 4 seat version, this commercial-grade outdoor furniture has a powder-coated paint finish and a textured polyethylene covering on the tabletop and curved backless benches. These materials are resistant to fading due to inclement weather, whether it be harsh sun rays or pelting snow and rain. The Regal Solid Top Round Portable Table can have its colors adjusted to best match your site's existing design. Please call or email a AAA State of Play salesperson to learn more.
