

Regal with Back Square Portable Table

MSRP \$2,783.00

SALE \$2,366.00

Highlights:

- Pick colors for the frame and table to personalize the unit
- Umbrella hole in center of tabletop allows room for shade
- Added backs make seating more comfortable
- Attached seating facilitates portability

If you love the look and feel of classic shapes and bold colors yet want to ensure that everyone who visits is as comfortable as possible, the Regal with Back Square Portable Table by Webcoat is sure to please. This aesthetically pleasing table features four benches with their own backs to make longer-term sitting more enjoyable. The 46-inch table comes with four wide attached seats. The expanded metal used in the backs, seats, and tabletop keeps it lightweight and allows airflow while the galvanized steel frame promotes long-lasting durability. Add to the overall appeal of the design by choosing from a variety of beautiful color options for the powder-coated frame and textured polyethylene tabletop and seats. Be advised that frame colors and table colors will vary, even when the same color option is chosen. If you would like to secure it in place, you can purchase an in-ground or surface mount (sold separately).
