

Innovated Players Style Park Bench

MSRP \$703.00

SALE \$598.00

Highlights:

- Choose from traditional or extended size options
- Can be placed anywhere easily due to its slim size
- Sturdily made of expanded metal that will last for years
- Match the bench to your area with colored and durable coating options

This Innovated Players Style Park Bench bench features the Innovated style, which is built from perforated metal that is punched with small, $\frac{5}{8}$ -inch round holes to create a smoother surface. The bench and frame are available in your choice of many different textured polyethylene coatings, allowing you to match the bench with the area or customize it to match team colors. All coating options have guaranteed strong resistance to wind, rain, and sunlight, and all resist fading due to UV ray exposure, giving you peace of mind that your bench will look great for many years. The Innovated Players bench is available in a variety of sizes, including six and eight-foot traditional lengths, or ten and fifteen-foot extended options. The extended lengths are two sections bolted together for ease of shipping and durability. You also have the option of a portable style, or in-ground and surface mounting options to best suit your location and needs.
