

Classic Square WEB Table

MSRP \$2,666.00

SALE \$2,267.00

Highlights:

- Your choice of 3 or 4 seats to meet your seating needs
- In-ground and surface mounting available to match your venue
- Textured polyethylene and powder coats resist fading from sun exposure
- Multiple color choices allow for customization

If you are looking for a classically designed table that provides easier access and cleanup than other seating options, the Classic Square WEB Table from Webcoat is the answer you are looking for. The square tabletop is 46-inches and is made of expanded metal in ribbed steel. This highly durable tabletop and seats feature a textured polyethylene coating that is also UV-resistant. The frame is made of strong steel that branches from the table to the seats. A powder coating is applied over the galvanized steel frame to produce superior durability in all weather and use conditions. Both coats are available in a variety of colors. No matter which option you choose, you are getting bold colors that will look as good as new even after years of exposure to the sun and weather. Available in your choice of three or four seats that are attached to the frame to match your seating needs. Available in in-ground or surface mounting options.
