

## ADA Accessible Innovated Octagon Pedestal Table

**MSRP \$1,985.00**

**SALE \$1,688.00**

### Highlights:

- Lengthened tabletop grants room for wheelchair access
- Surface or in-ground mounting options for affixing to any surface
- 5/8-inch diameter holes on the tabletop and seats allow airflow
- 2 and 3-seat options available to fit your needs

Invest in style and inclusivity without sacrificing strength and longevity with Webcoat's ADA Accessible Innovated Octagon Pedestal Table. The 4-inch center frame and 2-7/8-inch arms of this ADA Accessible Table support either two or three bench seats, with the other side(s) open to accommodate people who use wheelchairs. The outdoor seating arrangement is ideal for patrons of all ability levels and features a small-punched steel table, providing patrons with a smooth surface. An umbrella hole is at the top of the table to keep you shaded out in the sun. Both seating options require in-ground or surface mounting to securely position it in place. All of the table styles feature a generous 46-inch tabletop to comply with ADA Accessibility. And when it comes to color selection, the units can be customized in many different polyethylene coating colors, ranging from bright, vivid colors to more neutral hues so you can achieve the design you want while making your space accessible to all.
