The Ivan Iguana Forest Hollow Play System is the perfect kid's jungle hideaway. From the ground-level Stump Window Panels to the Stump Store Panel, kids will be entertained before they even enter the playground. The Elephant Crawl Through Panel and Bench Seat Panel will keep kids out of the sun and having a good time. On the second level, the Bubble Panel lets children view the commotion happening below, ensuring no one gets left out of the fun. Also, this funky playground comes embellished with several eye-catching flourishes; the smiling flower and perched bird are the perfect pieces for drawing in imaginative kids. Exiting the playground is just as fun as entering with the three styles, Wave, Spiral and Straight, of slides that are included. The Ivan Iguana Forest Hollow will be a child's gateway into a magical and lush fantasy world.
