Let the exploration and education begin with Rooney's Roost! Ideal for ages 2-5, and capable of providing up from 32-36 kids with hours of fun, it is a 33'x40' use zone playground. A triple rail slide, bedrock climber, education climber, crawl tunnels, an adorable "café" space, and two chute slides are just some of the features of this impressive unit. With lengthy warranties on almost all of the components, and a lifetime warranty on the recycled plastic posts, this is a premium investment in fun and function. Available in standard colors, it can be as low key or as vibrant as you want, and it is a perfect solution for any play space in which curious and active kids spend time outdoors. Customizable to suit your needs, it also has an ADA transfer station and DTD steps.
