Modern Picnic Tables for Parks

Modern picnic tables can be one of the most attractive features of a playground or park. For parents or guardians looking for a clean and safe area in which to sit or engage in activities with children, these tables fit the bill. Their potential for portability makes them great choices for those who need to move them around recreational spaces for shade or particular events. They can also be permanently installed to complement designated areas for activities. Whether you want to purchase a modern play table for kids or simply desire to buy a table for people of all ages to enjoy, we've got the tables that will have all of the visitors to your park or playground clamoring for a seat!

At AAA State of Play, we're proud to offer you contemporary picnic tables that can make your playground look like a true example of the 21st century. This picnic table features a modern frame for a more stylish appearance on the playground. Built for commercial use at parks and schools, this table's seats and top are thermoplastic-coated. This table is available with a surface mount or portable mount. [\[Read More\]](#)
