Assembled Dimensions: 48" High x 6' Long

The Angeles Sound Sponge 48" High x 6' Long Quiet Divider is a great classroom accessory to have on hand, especially when you are planning several activities for your class. The flexible room divider helps to separate spaces for different workstations, play areas, or even nap areas. The dividers are lightweight so they are easy to move around when needed. They roll up and are secured with a strap for compact storage capabilities. Don't worry if the divider gets dirty, it is easy to clean with standard carpet cleaner. Two poly-carbonate covered steel support feet are included with every divider for extra support. Magnetic connectors easily join multiple dividers together, giving you the flexibility to create what you need. You can even join it up with other size dividers. The Angeles Sound Sponge 48" High x 6' Long Quiet Divider is the perfect sound absorber to keep children absorbed in their tasks.
