Are you struggling to keep children on task when they are divided into small groups? Is classroom noise sometimes too much? Then you can find a solution with the extremely sound absorbent Angeles Sound Sponge 48" High x 10' Long Quiet Divider. This divider is flexible and lightweight allowing you to easily move it and configure the right workspace. Each divider has magnetic connectors that allow you to quickly connect to other dividers of any size. Two poly-carbonate covered steel feet are included for extra stability of the divider once in place. If you are worried about storing the dividers when not in use, then you will love the capabilities of this design. The divider easily rolls up and is secured with a strap for a compact storage solution. The Angeles Sound Sponge 48" High x 10' Long Quiet Divider is easy to clean if it should get dirty with standard carpet cleaner.
