When traveling with small children, you need a stroller that can comfortably fit everyone that is easy to use. The Angeles Surestop Folding Commercial Bye-Bye Stroller is designed with safety and comfort in mind for your passengers. The Surestop brake system ensures that the stroller will not roll unless you are moving. The brake system is engaged once you let go of the handle. A locking foot pedal brake is also included for extra safety. The padded seats hold up to 40 pounds each and recline to 45 degrees. Adjustable front foot rests add another level of comfort for the riders. This stroller is available in four and six passenger designs and folds easily for storage in three simple steps. The tubular steel frame is sturdy and lightweight for easy maneuverability. All-terrain tires are used so you can take your group anywhere! Full-length storage compartments allow you to have plenty of room to bring along the essentials. The Angeles Surestop Folding Commercial Bye-Bye Stroller is not recommended for children under 6 months old.
