ASTM F1487-17

CPSC PUB #325

### ADA Compliant

The Honeycrisp Delight will keep kids returning like a busy bee to an irresistible flower. Children of any age or size is welcome to roam around on this wonderfully simple structure. It is less overwhelming than other larger systems which emboldens the shy and cautious to emerge from their shells. The Turning Bar, Rain Wheel and Bongos keep the fun grounded for those afraid of heights. The Rain Wheel and Bongos are designed to be experimented with and the Turning Bar is a great way to get some dangling in. Getting to the slide is as easy as clambering up the Sea Creature Climber or Vertical Ladder; making sure the most fun part is never too difficult to access. Next, children are met with a near impossible choice. Which slide do I ride down? The Double Slide lets two kids slide at once, the Wave Slide is an uninterrupted excursion to the bottom and the Right Turn Slide adds a little twist to the mix. The best part of the Honeycrisp Delight, kids can try everything it has to offer as many times as they can handle.
