Spring riders are always a delight for young children as they bounce back and forth. When the bouncer features an animal design, the fun and excitement are even higher! The Easy Rider Derby by SportsPlay is an exciting spring bouncer that is designed for children ages 2 to 5 years. It boasts a playful horse design that will have kids racing on horseback during playtime. Foot rests and hand holds add safety to the unit, providing a sturdy environment for kids. The black and brown colors bring extra life to the bouncer and help jumpstart imaginations as children pick out their favorite horse names for the rider. The Easy Rider Derby by SportsPlay spring bouncer is made of aluminum and is built to last years of play. Place this spring rider on any size playground and watch as children delight in riding wherever their minds take them.
