Puppies and small dogs will jump for joy at the sight of the BarkPark Small Hoop Jump, which was designed with small dogs and little legs in mind. The jump is made up of three joined slowly ascending rings. Each ring boasts a 16-1/2-inch diameter allowing pint-sized pooches to face a challenge that larger ring jumps do not afford. Each hoop is specially coat in Canine Coat to protect them from the elements for years to come. Be sure not to forget about the little guys, and remember to include the BarkPark Small Hoop Jump to enhance your dog park.
