The most fun is had when everybody is included. The Wheelchair Accessible Rectangular Picnic Table from SportsPlay is an inclusive table with a special spot for a wheelchair to pull up to the table. The double 6-foot benches allow up to six people to sit with an additional space for a wheelchair at the end of the 8-foot long table. The frame is constructed from either 1-5/8-inch O.D., Standard, or 2-3/8"-inch O.D., Heavy, steel pipe to give it extra strength. The top and seats are constructed from perforated steel which is then coated, for protection, in your choice of thermoplastic coating that comes in a variety of bold and subtle colors both. The table is designed to hold up to the daily stresses of heavy use and weather making it an excellent choice for most outdoor seating areas.
