

Thompson Trash Can

Price \$349.00

Highlights:

- Works well in outdoor areas
- Metal exterior with a liner inside
- Sturdy perforated steel construction
- Octagonal shape adds an unusual look

Spruce up your space with the Thompson Trash Can from SportsPlay. The Thompson matches the SportsPlay picnic tables and benches and keeps trash off of your playground or picnic area and keeps it where it belongs. The unique octagon shape to the trash can leaves plenty of room to change bags in the can liner making taking out the trash an easier process. The Thompson Trash Can can be ordered alone, but it can also be put together into a pack with a liner and desired mounting option. The Thompson Trash Can uses the Flat Top Lid for Thompson Trash Can or the Plastic Dome Lid for Thompson Trash Can. Whichever top is chosen, it's sure to bring a finished look to your space. The can is thermoplastic coated in the color of your choice, to extend its durability and life.
