

Merry Go Round 10'

MSRP \$9,847.00

SALE \$8,272.00

Age Group: 5 to 12 years

Footprint: 10' diameter circle

Use Zone: 22' diameter circle

The 10 foot merry go round is the largest currently in production. This playground event can occupy several children at once. Merry go rounds offer an engaging activity children always enjoy. This merry go round has a governor to control speed. The platform is heavy 12 gauge steel with rolled edges. Hand rails are 1-5/8 inch powder coated pipe. Includes grease fittings for bearing and shaft lubrication. Popular standard colors are Red (base) and Yellow (hand rails) or Green (base) and Tan (hand rails). Each base is coated in thermoplastic (available in 2 colors: Green or Red) and the handrails are powder coat painted (available in a large selection).
