The 3-Foot Straight Single Piece Free Standing Slide is three feet of non-stop fun. Younger children will gravitate towards it. Its colors are able to be altered to fit any style and need. This unit is decked out with galvanized steel that can stand up to daily use and harsh, varied climates. The slide is crafted to maximize velocity while keeping children safe as they glide to the ground. Its rotationally molded plastic resists stress and keeps the fun moving. The perforated steel stairs and deck are PVC coated to keep slipping to a minimum. The 3-Foot Straight Single Piece Free Standing Slide is a step above the rest with its customizable colors, durable design and its promise of joyous thrills. Slides are a classic piece of equipment that will always draw children to use them.
