### ADA Compliant

The Triple Northern Express is an excellent all-in-one playground with a wide range of features that offer everything a child could be looking for. For the thrill seekers, there is a large Spiral Slide and a smaller Right Turn Slide. For those who want to crawl and explore, there is a Tube Bridge and Bones Bridge. If they prefer a climb, there is a Pixel Climber, Pod Climber, and an Inverted Arch Ladder. Kids who want to play games and be imaginative with friends can enjoy the Tic Tac Toe Panel and Store Panel. There is even a Bench Panel where they can sit and relax after the other activities have worn them out. The large number of climbers and slides make it easier for kids to navigate all around the structure and reach their favorite activities with ease. The durable materials and design ensure that the Triple Northern Express will remain a source of excitement for children well into the future.
