

Hercules VII Climber

MSRP \$8,959.00

SALE \$7,526.00

Age Group: 5 to 12 years

Footprint: 17' long x 19' wide x 8' high

Use Zone: 29' x 31'

The largest of the Hercules Climbers, Hercules Climber VII offers multiple rope and rung climbing events. The attached climber creates a playground in itself, often in place of larger, more expensive structures. The climber is built with 16mm galvanized core rope and 3/4 inch polyethylene routed plastic climbing panels. The Hercules Climber VII is 8 feet high after installation and safety surfacing.
