

## MyTCoat 32 Gallon Honeycomb Steel Trash Receptacle

**MSRP \$521.00**

**SALE \$444.00**

### Highlights:

- All 32-gallon MyTCoat lids fit
- Mount options also sold separately
- This receptacle does not come with lid or liner
- Different color options available for each coating

MyTCoat's 32 Gallon Honeycomb Steel Trash Receptacle is an affordable, attractive, and weather-resistant way to make your outdoor space cleaner and more inviting for everyone. When your location has convenient and easily available trash receptacles, passersby will have somewhere to dispose of their garbage, maintenance staff will have less litter to pick up, and the area will look nicer for everyone who sees it. This inexpensive model can easily upgrade any park, playground, courtyard, or other outdoor location. Purchase a 32 Gallon Plastic Liner separately, and while you're at it, pick from a wide variety of MyTCoat's lids to complete your container. With different coating options available and a host of color choices as well, the 32 Gallon Honeycomb Steel Trash Receptacle is extremely customizable to your space's needs.
