When seeking outdoor furniture that will ensure all your guests have plenty of space to relax and enjoy themselves, there are few better options than the MyTCoat Expanded Metal Deluxe Frame Picnic Table. Its long rectangular shape means that everyone will have lots of room to enjoy a meal, with a sizable tabletop area capable of handling large assemblies of silverware, food, and beverages. Additionally, the table's four separated bench seats ensure that people do not have to rest uncomfortably close to each other, as well as facilitating easy entry and exit from the sitting spots. The MyTCoat Expanded Metal Deluxe Frame Picnic Table features reliable support, including mounting points at the base of each of the table's legs. The MyTCoat Expanded Metal Deluxe Frame picnic can be purchased with either surface or in-ground mounting hardware.
