People naturally gravitate towards outdoor relaxation with their free time, whether it's to enjoy a bite to eat, sipping some beverages, or just sitting down to chat. You can help keep those folks happy during those moments with the MyTCoat Cafe-Style Umbrella. This umbrella is compatible with most MyTCoat tables and it will instantly upgrade the quality of your site's recreation spots, regardless of whether your guests experience rain or shine. The umbrella's marine-grade canvas top is tough enough to withstand the elements and block the sun's rays, while also being but sufficiently lightweight enough to lift and carry. The unit is easily raised or lowered by hand, so there's never any trouble taking the umbrella down to put into storage. With a MyTCoat table and umbrella, visitors to your business or park will more regularly visit, since they'll now have the peace of mind from knowing that your tables have some overhead protection. The presence of overhead umbrellas can be a key difference-maker when it comes to the final decision on where a family or group of pals wants to spend their day. MyTCoat's Cafe-Style Umbrella is available in numerous color options, so that it matches the look you want for your site.
