

MyTCoat 32 Gallon Ribbed Steel Funnel-Top Trash Receptacle with Door

MSRP \$1,611.00

SALE \$1,370.00

Highlights:

- Includes lid and plastic liner
- Color options available for each coating
- Wide opening helps reduce trash around bin
- Convenient trash removal with receptacle door

The 32 Gallon Ribbed Steel Funnel-Top Trash Receptacle with Door is a deluxe trash receptacle from MyTCoat that comes with all of the necessary pieces to begin storing trash more effectively. We have an extensive array of color options to choose from as well, making your receptacle completely customizable and built to your specifications. The frame of the receptacle itself has great features built into it as well, including a protective ribbed steel casing, a flared funnel-top that helps direct trash into the opening, and a convenient door on the side that makes it much easier to remove the plastic lining and empty the trash can whenever it is full.
