Start your dog park with the Small Dogs N Play Set from MyTCoat. The set is specifically designed for those communities looking to create a small dog park for their neighborhood. It includes a pair of iconic dog events and the makings of an easy public, or private, grooming area. Pups will be jumping again and again between the Puppy Hurdle with its four different levels of difficulty and the Two Hoop Puppy Jump. The Puppy Hurdle can be placed at several different heights to provide a challenging activity for dogs of all abilities. The grooming parts of the set include the Puppy Spa Table to raise any dog up to a much more manageable height, four Puppy Spa Accessory Pads to set items on, and finally the Leash Terminal to place leashes on as patrons play with their pets. A Medium and Large Dogs N Play Set are also available.
