

MyTCoat Honeycomb Steel Deluxe Frame Octagon Table with Rolled Edge Seats

MSRP \$2,121.00

SALE \$1,804.00

Highlights:

- Table is 46-inches on each side
- Lots of color choices for both coatings
- 2 and 3-seat options are ADA accessible
- Rolled edges on seat reduce sharp edges and injury risk

The MyTCoat Honeycomb Steel Deluxe Frame Octagon Table with Rolled Edge Seats is a terrific outdoor table with a collection of awesome features that set it apart from the rest. First, the curled edges on the seats combine with the smoothed octagonal shape to remove sharp edges. For those with small children, this is a major reduction in the risk of injuries. Additionally, the steel bonds of the frame give each seat it's own separate support as well as a connection to the central beam holding up the table. This makes each seat extremely sturdy and unlikely to wobble, let alone bend or break. Finally, when you select the two- and three-seat options, you add an ADA accessible component that makes it possible for everyone to enjoy this beautiful, tough, and safe table. Get the MyTCoat Honeycomb Steel Deluxe Frame Octagon Table with Rolled Edge Seats with either an in-ground mount for the grass or a surface mount for pavement.
