The MyTCoat Honeycomb Steel Single Post Octagon Table with Rolled Edge Seats is a sturdy outdoor table that is perfect for any occasion and any time of the year. It has resilient square support at its center which securely holds up the table and seats. This support can be mounted into any type of ground surface from dirt to concrete by using either in-ground or surface mounting. It can comfortably seat at least eight people with the four-seat model. Some seats can also be removed to make those sides of the table more wheelchair accessible. A handy central port is built into the tabletop to allow for you to install a compatible umbrella to help keep your guests from getting blasted by the harsh rays of the sun. The Honeycomb Steel Single Post Octagon Table with Rolled Edge Seats is available in a range of different color options are available. Please call or email a AAA State of Play salesperson to discuss scheduling and learn of currently available alternate shades.
