Weather is something that we all experience daily. The Weather Panel, with its adorable pictures, introduces children to some of the basic forms of weather. The images are fun and playful making learning about weather a fun adventure. Next to each of the illustrations, the words for the type of weather is printed clearly. The panel is available in English, Spanish (bilingual), Cherokee, and another language of your choice, making it adaptable and versatile for any playground. This panel is appropriate for any community that wants to help promote educational endeavors in their area through outdoor play and fun.
