Let your imagination zoom away in the Mini Car! Designed for children aged 6 to 23 months, the Mini Car is set up for two children to play together. There won't be any arguing about who is driving with the two separate seats and steering wheels at the front of the car. Children have easy access to the driver's seat with the two rear mounted handles and step. The safety zone is a mere 9' x 11' making it a breeze to fit into just about any play space. The car's recycled body makes it less susceptible to wear and tear as it is fade, graffiti, chip and flake resistant.
