- Chime set for children to experiment with music
- Store front at the bottom for pretend

Age Group: 2 to 5 years

Use Zone: 30' x 21'

The Sea Turtle is a fun, ocean-themed play set. Kids will love it because the Sea Turtle play system has every kind of fun activity that a preschool-aged kid could ask for. The Chime Panel lets them make music or noise by striking the metal chimes to produce different notes. The Store Panel lets them act out imaginary shops with their friends. They can climb up the Rockwall Climber or Pipe Ladder to reach the top level, where they can ride back down on the impressive Double Slide. Much of the structure is made from sturdy but environmentally sensible recycled materials.
