The Fire Truck, complete with decorative ladder, is the place for children to try their hand at stopping fires! The Fire Truck is a multi-level climbing structure with a steering wheel, bell and slide. Children can chase down “fires” to their heart’s delight with this truck as they ring the bell. When they arrive, they can rush down the slide to stop the fire. Sharing and socialization is encouraged by having a centrally mounted steering wheel. The mesmerizing colors draw children in to play on the structure. It adds fun and cheer to any play area. Children will play together for hours on the Fire Truck.
