If tricycles are left outside for long periods of time, they will inevitably get rusty, damaged, or even stolen. Keep your tricycles, bicycles, toys, or tools in this multi-purpose Trike Storage Building. This sturdy and waterproof structure keeps out weather and would-be thieves with its strong walls and secure doors. It can even be locked for extra security. The storage building has plenty of space for whatever you might need to put in it, and it can easily be installed just about anywhere. The structure even has a floor, to help keep your things dry and clean all year long.
