Nurture kids' imaginations and channel their penchant for the dramatic with this gorgeous outdoor stage designed for children of all ages, abilities, and talent levels. Constructed of 100% structural recycled plastic, our Drama Deck is the perfect setting for puppet shows, talent reviews, outdoor presentations, and comedy acts. Customize the Drama Deck with a filtered shade with optional trellis, or full shade with roof designs, and transform any outdoor space into a magical canvass fit for any performance. A truly versatile stage, the Drama Deck has become a favorite among elementary schools, museums, kids camps, and artists' spaces. It's also a great addition to any backyard, acting as a backdrop for countless family memories.
