They didn't start the fire, but the tiny firemen and women in your life can park their fire trucks, fuel up using a real water horse, and get lost in hours of adventure with this fetching fire station, featuring a control panel, garage, and fueling area. Boasting two garage bays, charming red posts, and an adorable Dalmatian sporting a fireman's hat, the Fire Station is a customizable playscape; choose from a three sizes, and personalize it by adding your local fire department's name to the red arched roof. The Fire Station includes our Half-Village Roof and is crafted from 100% recycled structural plastic. ADA accessible, it's perfect for children of all ages and ability levels.
