Add a bit of Parisian flair and sophistication to playtime with this alluring café and bakery stand. The ideal backdrop for chic storytelling and entertainment, the children's café features a royal blue awning with faux scalloped edges—emblazoned with white script—and its storefront panel sports sweet illustrations of pastries, coffee, and other delicious treats. Watch as children take turns playing customer and barista and engage in their own energetic narratives, no caffeine required. Our enchanting Café is crafted from 100% recycled structural plastic and may be freestanding or attached to a wall. ADA accessible, it's an ideal eatery for children of all ages and ability levels.
