Let kids of all ages and ability levels explore their flair for the dramatic with this innovative outdoor stage. Constructed of 100% recycled structural plastic, our Drama Deck with Ramp is the ideal stage for puppet shows, impromptu karaoke sessions, and intimate stagings of plays and performances. Customize it to fit your needs by adding a filtered shade with optional trellis, or full shade complete with roof designs, and transform your outdoor green space into a small theater, giving children a creative outlet. Easy to assemble, the Drama Deck with Ramp has become an arts staple among schools, museums, and summer camps. Or, it also makes a wonderful addition to your backyard.
