"Ladies and gentlemen, here they are: your kids!" Watch as children of all ages and ability levels explore their dramatic abilities with this beautiful and innovative outdoor stage. Constructed of 100% recycled structural plastic, our Drama Deck with Garden Trellis is the ideal stage for an elementary school version of *Midsummer Night's Dream*, or any fanciful production that will stir your tots' imaginations. Design the Deck and Trellis specifically to fit your needs by adding a filtered shade, or full shade, complete with roof designs. The Deck and Trellis is ADA accessible and perfect for children of all ages and skill levels. Add the Drama Deck to your space to elevate your campsite, recreation center, school playground, or backyard. Oscar-worthy performances not included.
