All the world may be a stage, but with the Drama Deck with Trellis and Ramp, you can transform any green space into a unique performance platform. With its exceptional design and ADA accessibility, kids of all ages and ability levels can indulge their penchant for the dramatic. Carefully crafted from 100% recycled structural plastic, the Deck makes a great addition to any elementary school playground, backyard, recreation center, or city park. Take advantage of the deck's beautiful, garden-inspired design, and plant flowering vines to grow up the Trellis, creating a canopy and curtains of greenery. The stage can be customized to include a filtered shade with the optional trellis or full shade with an optional roof.
