Optimize overlooked space and transform it into a functional nook with our Corner Shelf. Our set of Modular Cabinets allows you to organize your workspace in a streamlined way, while adding a touch of distinction to your living space. Designed to complete our Mud Kitchen set with several combinations—or perfect as stand-alone pieces—the complete set features a countertop and shelf, crawl-through open cabinet, and a corner cabinet with a single shelf. The Corner shelf unit is designed from 100% recycled structural plastic and contains stainless steel hardware. Made with simplicity in mind, it's triangular shape organizes your gear and increases usable space. ADA accessible, it's designed for people of all level abilities and ages.
