- Four burners on the stove top
- Shelf in the middle of the oven
- Clear panels to better watch things "bake" inside

**Age Group:** 6 months to 5 years

**Assembled Dimensions:** 24" x 16" x 24"

Kids will learn their way around the kitchen and create elaborate, imaginary confections with this sturdy and lifelike playtime stove. Adorned with red circular burners, turning knobs, functional opening doors with inset windows, and two inner shelves, the Stove set is a fantastic accessory for kids of all ages. Consider adding the lifelike microwave, featuring two opening doors, inset windows, and a shelf for "heating up" your child's pretend leftovers. The Stove set is crafted from 100% recycled structural plastic in many color options, and features stainless steel hardware. It's ADA accessible and makes a great addition to any classroom or playroom.
