"When the moon hits your eye like a big pizza pie," that's playtime! Kids will master the art of pretend pizza artistry with this Outdoor Wood Fired Pizza Oven. With its faux stone facade, substantial chimney, authentic details, and double wood-burning shelves, this play accessory is fit for any backyard or imaginary Italian villa. Made from 100% recycled structural plastic, the Outdoor Wood Fired Pizza Oven also features stainless steel hardware and is ADA accessible. Pair it with the Faucet Sink and Hose and other cooking accessories for a complete culinary experience. Safe for children as young as 6 months, and suitable for kids of all abilities.
