Give the children in your life the imagination scape of their dreams with this incredibly lifelike playhouse complete with functional flower boxes, chimney, and matching indoor benches. Giant side windows illuminate the interior with natural light, while circular skylights add visual interest and integrate the playhouse into your garden or playground. With its eco-chic palette of 100% recycled structural plastic in forest green, and its detailed, khaki accents, the Little Peoples Playhouse is a home away from home for inquisitive children. And thanks to the house's broad doorway, it is ADA accessible, so kids of all abilities can play together. The playhouse features stainless steel hardware and is easy to assemble.
