Our easy-to-use sandbox covers are a must for protecting the health of your children while keeping your sandbox tidy and free from contaminants, animal debris, and other unwanted hazards. Plus, our kid-friendly covers—made from heavy-duty outdoor mesh fabric—provide proper water drainage, protecting your sand and building materials from the elements. Our lids snap into place on the side of the sandbox, so kids can participate in keeping their play areas safe and clean. And our covers are available in a variety of shades, like Tan and Green, as well as Red, Blue, and Yellow, and coordinate with all of our RSP Sandbox sizes, our Sand House, and our Scalloped Sand Cube. Choose between five sizes and get playing!
