- Available in multiple sizes

Age Group: 6 months to 5 years

Give your child a place to create worlds of excitement and embrace their creativity with our classic RSP Sandboxes. Made from sturdy 100% Recycled Structural Plastic, and featuring stainless steel hardware, our models are incredibly low maintenance and includes a ten-year warranty. Plus, they've been designed to coordinate with our snap-on fabric covers (sold separately), which means your sandbox will remain free from animals, debris, and other contaminants. Each sandbox is vandal-resistant and graffiti-resistant, and 12 inches high with a six-inch-wide ledge that can double as a seating area or provide space for stacked sand accessories. Our sandboxes come in a variety of five sizes and can be modified to be ADA accessible for children six months and older.
